

IRVINE SCHOOL

PARENT COUNCIL NEWS

OCTOBER 2021

A PLACE TO GROW

OUR FIRST MEETING OF THE 2021/22 SCHOOL YEAR was held on October 14th via google meet. We had a great turnout of parents who attended.

Our Parent Council is a group of volunteer parents who are dedicated to supporting the staff and students of Irvine school to help ensure all students excel to the best of their ability. They meet together about 8 times a year with the school administrators to learn a little more about how our school operates. This helps us make informed decisions on how to raise money and allocate it to the places it is most needed for our staff and students. Besides helping out the school financially, these parents support the school by helping run events such as the back to school BBQ, spelling bee, as well as Teacher and Bus Driver Appreciation days.

We would like to welcome Courtney Rozdeba, Kerry Watson, Tellisa Cairns, Jason English and Pearl Bischoff to our 2021/22 staff.

Right from the Principal's mouth!

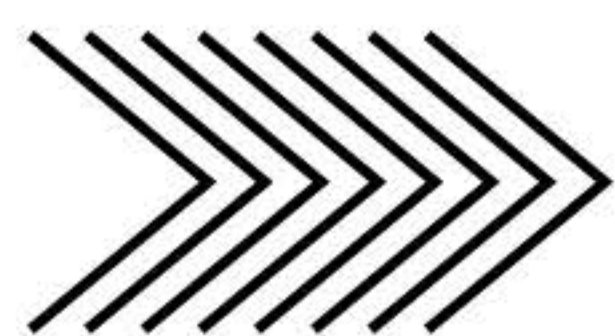

- Covid Protocols - Safety precautions are similar to last year within school.
- School updates and upgrades include the gym floor, baseball diamond and the Irvine School Agricultural Discovery Center.
- School Sports are a full go!!
- Literacy and numeracy screening interventions are currently underway.
- Mental health Capacity Building Program continued.

Have a suggestion?? Contact one of our Executive Board members!
