PARENT COUNCIL NEWS

JANUARY 2022

A PLACE TO GROW

OUR FIRST MEETING OF 2022 was held on January 13th via google meet. We had a great turnout of parents who attended. We are hopeful that the next meeting will be in person. The next meeting is scheduled for March 10th, 2022 at 6:00. We welcome all parents to join! To get on the email list please email kaylaplouffe@prrd8.ca

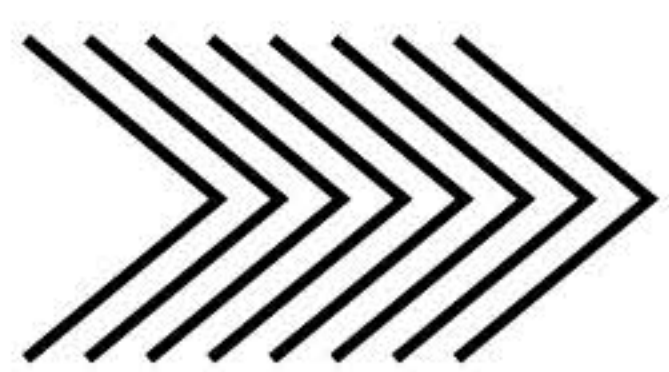

HAPPY NEW YEAR AND WELCOME BACK! We are so happy to see the kids back in school and hope everyone had a wonderful break.

AGRICULTURE DISCOVERY CENTRE This spring we are excited to see some animals arriving in the facility. By April 25th they are hoping to have 2 feeder steers (donated by Shortgrass Ranches), 2 bred goats, 1 bred cow, 2 weaner pigs (donated by the Irvine Parent Council), 2 market lambs (donated by Cathy Hogg), as well as laying hens, eggs in an incubator and honey bees. In early May, garden and crop plots, fruit trees, strawberries, raspberries and rhubarb will be planted.

This centre will truly be a student led program with so many learning opportunities. There will be a student body of 9 (president, vice president, treasurer, secretary and 5 members) to make decisions for the program with committies as well.

Congratulations to our 2021 Raffle Winners!!
